David Button was one of the first candidates in the UK to complete SWIM UK's unique 'Sporting Solutions' package. This offers anyone aged 19+ receiving Job Seekers allowance/benefits the amazing opportunity to attend FREE training courses specific to the leisure industry.

The **Sporting Solutions** package consists of a number of qualifications that provides the unemployed with the best possible opportunity to find work in the leisure industry upon completion. Since completing the program David has set up his own Personnel training and Swimming Teaching company, working with both Children and adults on a self employed basis:

David described the opportunity as a “life changing experience, that has given me greater earning potential and a chance to turn my life around.”

“Swim UK have provided me with the FREE training that has enabled me to enhance my qualifications, confidence and to build and develop my CV.”

The qualifications that David has achieved has made him more employable to the leisure industry sector, and has given him the skills to perform multiple roles in a leisure centre from swimming teaching

“All courses I completed were professional and very informative, the tutors were both helpful and inspiring.”
